Personal comments on the workshop:

- Very good and informative. **(ADVENTIST HOSPITAL PENANG)**
- Very nice workshop and more information I can get to implementation patient safety good. **(AMPANG PUTERI SPECIALIST)**
- A very interesting workshop. Many good take home points. **(MOH)**
- Very good + useful for everyone. **(SIME DARBY MEDICAL CENTRE)**
- Very good **(INSTITUTE FOR HEALTH SYSTEM RESEARCH)**
- Excellent. **(HOSPITAL SELAYANG)**
- It has given me the tools & missing knowledge that I needed to continue with the 'safe surgery' program that I'm heading in the MOH Malaysia. **(HOSPITAL SULTANAH NUR ZAHIRAH)**
- Ideas discussed is very practical and substantiated by statistical evidence. **(PENANG ADVENTIST HOSPITAL)**

How it could be improved? (in participant's own words)

- Need more practicals / time to implement. **(PENANG ADVENTIST HOSPITAL)**
- More time so we can do more exercise. **(ADVENTIST HOSPITAL PENANG)**

How useful is this course to your job?
